

A Word from the Mayor!

I know every family has been affected by the Covid-19 virus at some point through family members, school, or work. This is a time in history that we will all remember. I encourage each and every one of you to follow the CDC guidelines and directives put forth by Governor Ivy. Protect yourself and your family! During this holiday season I wish you peace, prosperity and pray that everyone will have a wonderful 2021!!

Your Mayor,
Brenda D. Morrison

BREAKFAST WITH SANTA-We will have our Breakfast with Santa this year, but it will be a drive-thru event. It will be located at the new activity building where you will drive through under the pavilion and pick up your sausage and pancake meal. Santa will be out front waving at the kids while the council and mayor prepare the meals and get them out to the cars. Please come and participate, **SATURDAY, DECEMBER 5TH, STARTING AT 9 AM, WE WILL BE THERE UNTIL WE RUN OUT OF FOOD!!**

Municipal Election-This year the Town held its municipal election for the next 4 years. Your new councilmembers and mayor were sworn in on Monday, November 2, 2020. Your Mayor is Brenda Morrison, Councilmembers are Dianne Averett, Debbie Minor, Amanda Bell, Ginger Turner and Jay Kelly. Our council meetings are the 1st and 3rd Mondays of every month, unless it is a holiday, then normally we have it on Tuesday. We would love to have your participation. It is your Town, and we welcome your input!

Activity Building/Fire Department- Our new building is open! Hopefully, we will have a grand opening once the COVID-19 gets contained. We opened the activity center on November 2, 2020 and the fire department began to move in later that same week. We are now accepting bookings for the rental of the activity building. You must follow CDC guidelines for the COVID-19. The fee is \$150 for the booking and \$50 for a damage retainer. The \$50 will be returned if there is no damage. We are currently in the process of installing cameras in the building for security purposes.

Vance Library-Our old library is no longer ours. The building was sold to ALDOT and it will be destroyed when the Highway 11 expansion comes through in spring 2021. It was too expensive to save the building but we did save the bricks, we have stored the bricks to use as fillers for our pavers that will be selling soon and to use for other projects. The library will be housed at the old civic center. During the winter months our maintenance staff will work to get the library opened again for the spring. We need to do some painting for our library ladies and move more furniture around.

Park Fundraiser- We will be starting a fundraiser in January. The money raised will be used to redo three of our ballfields and we will donate to the Wounded Warriors to honor our veterans. We will be selling pavers that can be placed in front of the town hall to honor veterans or at the entrance of our park. These pavers will be a wonderful way to honor or recognize those who have served our country or our town. More information will be given in January. We will have flyers and a website coming soon.

Highway 11 Project-Per Mr. Darden, with ALDOT, construction should start in the spring of 2021 and the project should be completed in 2 to 2 ½ years.

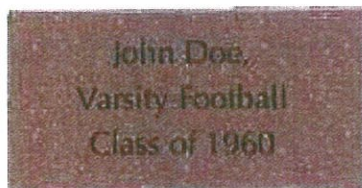

Dollar General-Due to the Highway 11 expansion, Dollar General will relocate from their current location to where the old fire station property is due to lack of a full access cut for traffic going to their store. The Town is working with the developers to make this happen as soon as possible. The developers said the new store would open prior to the old store being torn down. This way the employees will have continued work and the citizens will not miss out on their daily shopping at Dollar General.

Convenience Store-The current convenience store owner has purchased property on the Highway 11 corridor and will build once the buildings on his property have been torn down. The store owner said his intent is to put a Subway in the convenience store.

Town of Vance

The Town of Vance wants to invite you to help us honor our veterans. We would also like to give you an opportunity to help our park by leaving your mark in our history by participating in our brick paver program. We will be adding a Veteran Memorial in front of the town hall that will include brick pavers. Pavers can be designed to honor any veterans of any military branch. The pavers at the park can be bought for anyone! Personalized engraved bricks are a great way honor a veteran, special person, family members/group, commemorate a special occasion, group or team or be used in memorium. We will also sell bricks for businesses to advertise. The pavers for the park will be place at the main entrance. Please, consider participating and being a part of our history.
