Vance Building Code requires steps and landing that meet the building code prior to occupancy on all Mobile Homes moved into Vance Town Limits.

To accommodate those who want to move in prior to having steps and landings in place a 90-day period will be granted to finish steps and landings. If the work is not completed in the 90-day period, you will be charged with a violation of building codes and a fine of \$25 each day thereafter that steps and landings are not finished.
