Resolution 12052016a

Commending Shelton State Community College's Alpha Epsilon Iota chapter of Phi Theta Kappa on participation in the Honors in Action project

Whereas, established in 1918, Phi Theta Kappa is the international honor society for two-year college students; and

Whereas, one of the two major projects required of Five Star chapters is the completion of an Honors in Action project, a Phi Theta Kappa program designed to engage honors students in actions that foster student success and help fulfill the mission of Phi Theta Kappa which is to recognize academic achievement of college students and to provide opportunities for them to grow as scholars and leaders; and

Whereas, participation in Honors in Action contributes to personal, academic and career development and affords students leadership and service-learning opportunities to have an impact on their campuses and in their communities. Achievement of the learning outcomes of Honors in Action builds the analytic and collaborative problem-solving and leadership skills necessary and valued in advanced academic pursuits, work places and communities; and

Whereas, the 2016-2017 Honors Study Topic is "How the World Works: Global Perspectives," the students focused on responsible government; and

Whereas, their research lead them to an advocacy project calling on all members of the Vance Town Council to symbolically reaffirm their oath of office and maintain the ethical standards to which they are dedicated as representatives of the people; therefore

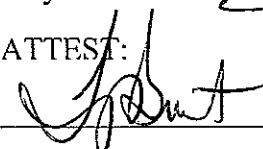

Be it resolved by the Town Council of Vance, that we join Shelton State's Alpha Epsilon Iota chapter of Phi Theta Kappa in renewing and proclaiming our commitment to providing good, responsible government and promoting civic participation through voting.

Be it further resolved, that a copy of this resolution be provided to the Alpha Epsilon Iota chapter in highest appreciation and esteem for its outstanding commitment to educational service-learning projects.
